How do I change my personal data?
Step 1

Change the site's language to English and log in at mycampus.adbk.de with your password and login name.
Step 2

Now you will come to the landing page of the ecampus.

Click on the My data field.
Step 3

Now you will get to an overview site of your data.

Click on the field Edit.
Step 4

In the new window you can see your personal data.

Scroll down to see more of your data.

eartus.künstlermann@stud.mwn.de
Step 5

Choose the field you want to change.

For example your current address.
Step 6

Mark the old address and delete it.
Step 7

Type in your new address and click on Save at the top right corner.
Now your new data has been successfully saved.

All the best and good luck with your studies!
