- Use of email at the LRZ via webmail.lrz.de
- Redirecting to a private email address
- Set up IMAP account in Email App

- For the use of mycampus you need the LRZ ID or the LRZ email address
- You register for seminars and workshops with this address and also receive information and confirmations etc. to this email address
- For data protection reasons, communication between you and the Academy must take place exclusively via the LRZ email address. Emails to private email addresses are not permitted.
- For this purpose, please ideally use the access via the website: webmail.lrz.de

webmail.lrz.de Clear and secure - the LRZ Email interface

 You can redirect your emails in the LRZ portal to a private address, if this is an advantage for you.

But keep in mind that you do NOT write to the academy or lecturers from the private email address.

idmlportal.lrz.de Login with LRZ-ID

Email Configuration >> Show / Change Redirections

- And of course, you can also add the LRZ email account to any email program on computer or smartphone as an IMAP account:
- https://doku.lrz.de/pages/viewpage.action?pagel d=19103886
- At the LRZ there are also well-trained employees who can provide support:
