How do I register for mycampus.adbk.de?
Registration process

You have received a letter with your login data for the IDM Portal of the LRZ.

You have to login with this data at the portal and change your password there so you can login at the campus site mycampus.adbk.de.
Step 1

Login with your login data you have received with the letter at idmportal.lrz.de.
Step 2

Subsequently you will get to the landing page of the IDM Portal.
Now click on the left topbar under Account at modify password.
Step 3

Type in under old password your start password from the letter.
Subsequently type in your new password twice and click on modify password.
Step 4

Your password was successfully changed.
Now visit the Campus site at mycampus.adbk.de.
Step 6

Visit mycampus.adbk.de, change the site's language to English and login with your changed password and your login Name.
You have now successfully registered for the ecampus.

Good luck and all the best for your studies!
