

Self-commitment for students

to observe hygienic measures when entering the Academy of Fine Arts Munich from 18 October 2021.

1. Please read the attached information sheet carefully.
2. Access to the academy only for vaccinated, recovered or tested persons (3G rule).
3. Staying in the Academy is only allowed for attending classes, artistic work and for using the library.
4. Please enter the building only one at a time and wait outside if necessary. Please always keep at least 1.5 meters distance from each other in front of the entrance.
Please disinfect your hands immediately after entering the academy.
6. Medical masks or FFP2 masks must be worn at all times in all meeting areas (entrance, corridors, lifts, toilets etc.). In the classes, the removal of the mask is permitted at the fixed place if the minimum distance is ensured. The teaching staff will decide on the spot.
7. Please take the direct route to the classroom.
8. If you meet someone, please keep at least 1.5 meters distance and avoid long conversations.
9. Please ventilate the room regularly (at least once an hour).
10. Please sign this sheet and hand it in to the gate staff when entering the academy for the first time.

If you do not comply with the self-commitment without restriction, you will lose the opportunity to use the academy! Persons who do not comply with the infection control regulations will be subject to the strict application of the house rules. In the event of a repeat offence, a temporary ban will be imposed.

I hereby confirm that I have read and understood the regulations and will comply with them.
