

## **AkademieGalerie – Call for proposals for January to December 2026**

### **For all students of the AdBK München from the 3<sup>rd</sup> semester onwards**

All students of the Academy from the 3rd semester onwards can apply for an exhibition in the AkademieGalerie in 2026. Selected artistic positions will be presented to the public, either as individual or group projects. All genres and artistic mediums can be shown - drawing, painting, sculpture, photography, jewellery, installations and digital works. The presentation format is to be adapted to the spatial conditions of the AkademieGalerie.

The selection of participants is made by a jury. The exhibition lasts usually for two weeks.

A total budget of approximately €1,000 is available for each exhibition.

To apply, please complete the form on the AdBK website: Aktuell > AkademieGalerie > Bewerbung.

In addition to the concept (max. 1 DIN A4 page), the following documents should be submitted to explain the idea of the exhibition in more detail:

- Visualisation (sketches, photos, model)
- Further examples of the artist's work (up to 5 works - photos only; no originals, catalogues etc.; DIN A4 format)
- USB sticks/DVDs will only be considered if they complement the written concept, i.e. if they contain short examples of filmic works.
