« There are gaps in life, but sometimes there is what we call a refrain. For periods of varying lengths, you don't hear it, and it seems as if you have forgotten that refrain. And then, one day, it comes back unexpectedly when you are alone and nothing around you can distract you. » (Patrick Modiano)

The theme of the exhibition Encre sympathique is based on the novel of the same name by Patrick Modiano... I also like the play on words associated with it when you translate the title directly into English... sympathetic ink? What does that mean? As you know, it's the French word for invisible ink... when I was a child, I lived very close to Nice in Èze and went to a small village school there... I wrote my secrets in invisible ink in a notebook...

VogelART

NEO art & culture lab x Vogel**ART**

The NEO x VogelART art and culture space was inaugurated in Nice in July 2024 by the couple Sebastian & Simon Vogel. NEO is a blank canvas for art and cultural projects - from art exhibitions and cultural events to photo shoots and pop-up events. It's a place where art, culture, fashion and design merge and put creation in the spotlight.

Since July 2024, more than 15 events have been held at NEO, whether concerts, design car presentations or simply exhibitions. Highlights included the exhibition by Ndayé Kouagou in collaboration with the NIR ALTMAN gallery and an exhibition by the Skateboard Museum Berlin. As well as the group exhibition 'Tendre est la nuit' in October, curated by Thomas Zitzwitz with artists including Alicja Kwade, Eva Grubinger, Gregor Hildebrandt, Ida Tursic & Wilfried Mille, Isa Melsheimer, Jorinde Voigt, Luca Vitone, Malerie Marder, Matthieu Laurette, Una Szeemann, Young Kim and many more.
