AKADEMIEGALERIE APPLICATION

AkademieGalerie – Call for proposals for January to December 2023

To all students at the AdBK München

All Academy students can again apply to exhibit their works in the AkademieGalerie during the 2023 year. Selected artistic positions will be presented to the public, either as individual or group projects. All genres can be shown – drawing, painting, sculpture, photography, jewellery, spatial installations and digital work. The presentation format should be adapted to the AkademieGalerie’s spatial situation.

A total budget of circa €1,000 is available per exhibition.

Exhibition flyers all have a uniform appearance; within this framework, however, they can be individually designed by the respective artists.

For the application, please complete the form on the AdBK website: Aktuell > AkademieGalerie > Bewerbung

In addition, the following materials may be submitted to further explain the idea:
• Suitable visualisation (sketches, photos, model)
• Other examples of the artist’s work (up to 5 works - photos only; no originals, catalogues etc.)
• DVDs will only be viewed if they complement the written concept, i.e. include short examples of filmic works.

Please deliver all applications to the front desk of the Neubau, addressed to Angela Holzwig / Julia Viehweg.

Deadline: Friday, 21 October 2022

After an initial review by a team of curators, selected applicants will be invited to a personal meeting. Subsequently, the exhibitors for the coming year will be selected and informed.

We are looking forward to your proposals!
