

Public Transport (MVV)

What to buy?

- **BASIC SEMESTER TICKET**

At enrolment, students will be required to pay a mandatory student services fee. One part of the mandatory fee is for a basic semester ticket entitling students to **restricted travel** within the MVV network (zone M – 6) at the following times **only**:

- Monday to Friday from 6 pm to 6 am the following day
- Saturdays, Sundays, on public holidays and on the 24 and 31 December without time restrictions

- **ADDITIONAL ISARCARD SEMESTER**

Students who need to use public transport regularly will require a **top-up ticket**. The IsarCard Semester is an optional ticket that is valid for the duration of one semester. This ticket entitles students to **unlimited travel** within the MVV network (zone M – 6). It costs **ca. 210 €**.

In both cases, students **must** carry their Student ID and an official photo ID **at all times** when using public transport.

Where to buy a ticket

The IsarCard Semester can be bought at MVG ticket machines or kiosks selling MVG tickets (e.g. at underground stations). To buy a ticket you must present your Student ID at the kiosk or type your matriculation number into the ticket machine.

Important Note

- Keep the receipt for your ticket in a safe place. If you lose your ticket, you will not be issued a substitute ticket unless you have your receipt. A replacement ticket fee of 5€ will be charged
- Buying an IsarCard Semester is **not** mandatory. If you do not use public transport on a regular basis, it might not be necessary to buy the IsarCard Semester. There are other ticket options available. Please see the MVV website for more information.
